Bruce Jenner's reality TV show on hold: No plans to begin filming anytime soon

It appears that Bruce Jenner has put his show on hold right now. He is having creative differences with the network. He wanted to make sure his docu-series would inspire other transgender people,...

Connie Hamzy, who bedded dozens of the most famous rock and roll stars in history, delivered the interview on a lifetime on Wednesday morning's [Howard Stern Show](#).

Hamzy, who began having sex with rock musicians at age 15, held nothing back during her interview with the King of All Media. Stern reviewed a copious list of A list rockers from the 60s-80s and Hamzy gladly revealed whether she shared oral, anal and/or vaginal sex with them. And then, she talked about that Keith Moon penetrated her with a banana.

So who has the biggest penis is music? Hamzy said that **Huey Lewis** is the winner hands down. "He's the biggest. I've always said he's the biggest," she said frankly.

And the smallest? Peter Frampton by a country mile. Hamzy estimated his size as at about three inches, erect. As if that wasn't revealing enough, Hamzy also told the [Howard Stern Show](#) audience that Frampton really enjoyed trying on her underwear.

Hamzy had plenty of opportunities for comparison. She admitted to sexual encounters with both Alex and [Eddie Van Halen](#), Willie Nelson, Waylon Jennings, The Allman Brothers, both Gene Simmons and Paul Stanley of [KISS](#), Neil Diamond, every male member of Fleetwood Mac, David Lee Roth, Sammy Hagar, all of ZZ Top, Gedde Lee, Buddy Rich, Don Henley and many, many others. Oh, and then there was that orgy with Chicago--all of them.

Hamzy almost scored herself a notch on President Bill Clinton's belt while he was still Arkansas governor. Unfortunately, Hamzy and Clinton were interrupted before she could finish blowing him in a hotel laundry room. If Bill had a nickel for every time that happened, maybe we could put a bit of a dent in this hefty national debt.

The most tender lover of the bunch? Alex Van Halen.

Hamzy will be featured on "Let's Spend the Night Together: Confessions of Rock's Greatest Groupies" which premieres on VH1 Wednesday, December 15th.
